Institutional Distinctiveness

The College being a premier institute of Higher Education in the town, Pfutsero Government College thrust itself in producing well educated, well informed and socially responsible citizens true to its vision 'Enlighten Society Through Holistic Education'. The College imparts education not only in routine academic syllabus but also ignites within the students their sense of duty by sensitizing them in social welfare programmes that have a direct bearing on the society thereby motivating the students to excel in different avenues of life as well. Since its inception in 1982, the College as a community oriented institute has been actively propagating and participating along with the village councils, town council and the town administration in achieving the common goal of progress and development through active cooperation.

Keeping in tune with its mission statement, the College has been extending various commendable community welfare services such as adoption of Children Home at Rukizu, blood donation drive and all possible community service that is being demanded upon the College. To meet the challenges of the threats posed by global warming and climate change, the College carries out tree plantation drives in and around the campus. Also realizing the need and importance of the clean environment and to combat negative impacts caused by improper sanitation, the College with joint participation of the faculty, staff and students organizes social works on cleanliness drives within the campus, neighboring villages and places of strategic locations and other institutes around the town area. The cleanliness activity has been, by far, one of the most effective and striking activity carried out by the College having far reaching positive impact on the community. Individual colonies and business establishments of the town have installed waste bins within their respective jurisdictions to show their solidarity to the efforts of the College in achieving a cleaner and habitable town. Recognizing the vitality of garbage truck in maintaining cleanliness in the town, the College donated a certain amount towards the maintenance of the only garbage truck in Pfutsero Town.

To further promote and stress the importance of cleanliness and proper sanitation, the College has also tied up with the town administration in implementing the message through 'Swachh Survekshan' carried out under the Government of India's Ministry of Housing and Urban Affairs to encourage large scale citizen participation and create awareness amongst all section of society about the importance of working together towards making towns and cities a better place to live in. In this regard, the students of the College are made direct respondents and ambassadors of Swachh Survekshan to the nodal administrative officer by making use of social media through WhatsApp, Twitter and Instagram to sensitize as well as update its activities to the public. This initiative and participation of the College has yielded positive results as indicated in the recently declared Swachh Survekshan Report 2019 declaring Pfutsero Town Council as the second ranked best performing town in the state and also 27th rank at the national level.
