CONCEPT NOTE

Education is the penultimate instrument that can bring progressive changes in the society. To improve the educational system, attempts have been made to make situational changes to ensure fitness of the system through effective contribution.

The National Education Policy proclaimed in 2020 is quite different from the earlier policies, since the new policy is a comprehensive document aiming for the all round change in educational sectors and bringing about a paradigm shift with a prima-facie hope of revolutionizing the education system in the country. It is quite natural that there would be both beneficial and adverse contents in every reforms and the New Education policy is also not an exemption. As mentioned in the policy, education is fundamental for achieving full human potential, developing an equitable and just society. This webinar is to discuss on the various discourse on the pros and cons of the Educational reforms, especially with regards to Higher education. The main objective of this webinar is to bring about a clear and thorough understanding of the New Policy for the teachers, as the Government is set to implement it in all the higher educational institutions.

OBJECTIVES

1. To discuss the vision of NEP 2020 with special reference to Higher Education.
2. To discuss the role of learner, teachers and society in the implementation of the policy in higher education
3. To discuss the policy provisions pertaining to multidisciplinary education in Higher Educational institution.
