

PFUTSERO GOVERNMENT COLLEGE

NAAC Accredited 'B' Grade

PROSPECTUS 2022

"ENLIGHTEN SOCIETY THROUGH HOLISTIC EDUCATION"

MOTTO: *“Meliora”*

THE EMBLEM

(*“Meliora”* is from the latin word *“meliorate”* which means *“to better”*)

In effect, it means to grow better in physique, spirit and intellect.

Concept: The emblem is built around the origin and aspirations of the college that are broken into the base and the head.

The base is made of pillars, ending in a stylized *“kecike”* (symbolic beams of a traditional house). The pillars, which are united by this, represent the sponsoring villages which unanimously support and nurture the College. The *“kecike”*, while renders a touch of tradition to the design, bears “ESTD.1982”, above which lays “PFUTSERO GOVERNMENT COLLEGE”. The upper portion of the *kecike* is scooped into a concave to subtend and hold the head.

The head consists of two circles in gold color, an open book above which is a dove. The book represents knowledge and development; the dove signifies peace, freedom and liberation

Colors and their meanings:

Green : The colour denotes regeneration, growth, fertility of the mind and continuity.

Blue : The colour blue signifies clarity of thought, efficiency and adeptness arising from enlightenment.

Gold : The colour gold encompasses all the components of the emblem and thus signifies all the undertakings of the college which are guided and prompted by these ideals. The strong sweeping lines indicate confidence and determination.

Principal Message

Pfutsero Government College was established in the year 1982 as a private institution to provide higher education to the people of Pfutsero region. It was taken over by the Government of Nagaland on 1st April 2009. The college with its motto “Meliora” endeavors to inspire, empower and mould the young minds. The college offers B.A. Honours and General Course in English, Tenyidie, Political Science, History, Education, Economics, and Sociology.

The college follows UGC Choice-Based Credit System(CBCS) with the aim to provide job opportunities and placements. This system also allows the students to choose inter-disciplinary, intra-disciplinary courses, skill-oriented papers and offers flexibility to the students to choose courses from other disciplines according to their needs, interests and aptitude. Another advantage of CBCS is it provides opportunities for the students to have more scope of taking up projects and assignments, vocational training including entrepreneurship.

The college also offers vocational courses in Floriculture and Basic Computer Course. The college is NAAC assessed and accredited with B grade in the first cycle of the NAAC assessment. Over the past years the college has produced consistently good results at the university examination. It is an honor and privilege to be part of this institution where the teaching faculties are well-qualified, efficient, committed, sincere and cooperative. The college provides favorable teaching -learning atmosphere in such a way that the students are motivated and encouraged to excel in academic area as well as acquire the qualities of a good citizenship. It also encourages the students to develop self-discipline, civic mindedness, feeling of social service, sense of responsibility and social justice so as to successfully contribute for the welfare of the society and the nation. I hope that the collaborative effort and commitment of the college and community will cater to the needs of the young learners and bring about a positive change in the society as a whole.

COLLEGE PROFILE

ABOUT THE COLLEGE

Pfuetero Government College is one of the acclaimed co-educational Institute of Higher Education in the State offering undergraduate course in Arts. It was established in 1982 under the initiative of a few visionary leaders of the area. The College started with Pre-University level and was initially affiliated to North Eastern Hill University. With the establishment of Nagaland University in 1994, the College was accorded temporary affiliation to the University. The College was officially upgraded to Degree level with pass course by Nagaland University in 2000. From 2004 onwards, Honours courses in History, English and Tenyidie was offered and degree examination centre was accorded to the College. Permission for offering Honours courses in Economics, Political Science and Education was officially approved by the Nagaland University in 2014 and subsequent permission to offer Pass and Honours course in Sociology was accorded in 2016. The College celebrated its 25th Anniversary in 2007 and subsequently taken over by the Government of Nagaland on 1st April 2009. The college is accredited with B grade(First Cycle) by National Assessment & Accreditation Council(NAAC), Bangalore of the University Grants Commission(UGC).

In addition to the course prescribed by the N.U, the College has started add-on and VET courses namely Basic Computer Course and Floriculture in 2013 and 2016 respectively. Over its years of existence, the College continues to strive to fulfill the vision and mission of the pioneers for the College.

Location

The college is located in the south of Pfuetero Town, the highest and coldest township in Nagaland standing at an altitude of 2133 meters above the sea level. It is 70 kms away from the state capital Kohima and 130 kms away from Dimapur Airport. The natural and peaceful ambience of the campus offers a calm effect which makes it most conducive atmosphere for intellectual pursuits.

Vision

“Enlighten Society Through Holistic Education”

Mission

- ➔ To train students to identify their potentials, talents and strength.
- ➔ To develop the sense of duty and responsibility towards self and society.

- ➔ To inculcate strong moral values, promote self – discipline and civic mindedness in the students, ensuring that every student is a successful learner and capable of creative thinking.
- ➔ To empower students to apply their acquired skills and knowledge and participate in nation – building.

ACADEMICS BACHELOR OF ARTS

INTRODUCTION OF CHOICE BASED CREDIT SYSTEM (CBCS) FOR UNDERGRADUATE PROGRAMMES

Under the initiative of the Ministry of Human Resource Development, Govt. of India, the University Grants Commission (UGC) has initiated several steps to bring equity, efficiency and academic excellence in National Higher Education System. It has come up with a broad-based course-Choice Based Credit System (CBCS) at par with global standards with emphasis on innovation and improvement in course-curricular, introduction of paradigm shift in learning and teaching pedagogy, examination and education system. CBCS offers flexibility and mobility for students by providing wide range of courses for students to choose -inter disciplinary, intra-disciplinary and skill-based courses and so it is described as “learner-centric approach”. Depending on the interest of the students in a subject, the varied courses give a platform to the students to explore additional avenues of learning beyond the core courses for holistic development of an individual and career choices.

In order to allow academic flexibility to the students to study the subjects/courses of their choice and for their mobility to different institutions, Nagaland University proposes to focus on courses which are interdisciplinary and multidisciplinary in nature and accordingly CBCS courses are being introduced in the undergraduate programme.

OUTLINES OF CBCS

- **CORE COURSE (CC):** A course, which should be compulsorily be studied by a student as a core requirement for the programme is called Core Course.
- **ELECTIVE COURSE:** Generally, a course which can be chosen from a pool of courses and which may be very specific or specialized or advanced or supportive to the discipline/subject of study or which enables an exposure to some other discipline/subject/domain or nurtures the candidate’s proficiency/skill is called as Elective Course. There are two types of Elective Courses under CBCS.
 - a. **Discipline Specific Elective (DSE) Course:** Elective courses offered under the main discipline/subject of study are referred to as Discipline Specific Course.
 - b. **Generic Elective (GE) Course:** An elective course chosen from an unrelated discipline/subject, with an intention to seek exposure is called a Generic Elective. Students are advised to choose Generic Elective papers from other subjects in such a way that the knowledge gained from the generic elective papers enriches the study of the core honours course of the student.

P.S: A core course offered in a discipline/subject may be treated as an elective by other subject and vice versa and such electives may also be referred to as Generic Elective.

- **ABILITY ENHANCEMENT COURSES(AEC):** The Ability Enhancement (AE) courses are of two kinds:
 - a. **ABILITY ENHANCEMENT COMPULSORY COURSE (AECC):** AECC courses are the courses based upon the content that leads to knowledge enhancement. These are mandatory for all disciplines.
 - i. Environmental Science
 - ii. English/MIL Communication.
 - b. **SKILL ENHANCEMENT COURSES (SEC):** SEC courses are value-based and /or skill-based and are aimed at providing hands-on-training competencies, skills, etc.

QUALITY CONTROL

IQAC

The Internal Quality Assurance Cell (IQAC) is a monitoring cell headed by a Coordinator, Principal, HODs of all departments and nominated members of the college. The IQAC monitors the working of the various committees, cells and clubs through which all programmes and policies of the college are planned, implemented and executed. Through periodic reviews, the IQAC ensures that the quality assurance strategies and processes of the college are effectively institutionalized. The broad strategies of the cell are:

Internal Assessment

Students are continually assessed through combined internal exam, class tests, assignments, projects, seminars and fieldtrips.

Attendance

A minimum of 75% attendance is required for a student to be eligible to sit for the semester exam.

Remedial/ Tutorial Class

The college provides remedial classes for each semester every working day after class hours which is looked after by the respective departments based on the syllabus structure and student comprehension on the concerned subject. Special attention is given especially to academically weak students to improve their performance on par with their peers.

Mentoring

To ensure quality education and to address the emotional and mental challenges that hamper students' academic performance each faculty is assigned with 6 to 7 mentees every academic year giving opportunities to students to interact with their mentors on a one-to-one basis. This helps the college through the mentors to keep an update on the student's attendance as well as in their overall progress. The whole mentoring process is looked after by the mentoring committee.

ADD-ON COURSES

Floriculture

The College started Floriculture as an Add- On course in 2017 with RUSA, MHRD as the funding unit. The course is for a duration of 1(one) year and offered to the 5th and 6th Semester students. There are 4 (four) poly houses; 2 (two) in the present campus and 2 (two) in the new campus. A demonstration cum office block and a gardener quarter is constructed in the new campus. The course syllabus is adopted from the Kohima Science College Floriculture Skill Enhancement Course- (BOS 3.11).Theoretical classes are taken up every Wednesday. In the art of nurturing plants practical classes is followed through every Friday. Two teachers attended a one-day training program on Floriculture under Mission for Integrated Development for Horticulture (MIDH) in 2017.

Basic Computer Course

The Computer Education Committee consisting of two teaching faculty was set up in 2012 with the aim to impart basic knowledge on computer and its applications to the students. The course is for a duration of 3 months and is open to all the students. Students are assessed through written and practical exams at the end of the course. Courses offered:

Programme Code	Name of the Course
BCC-03	Basic Computer Course

From 2019 the Basic Computer Course was upgraded to Diploma in Computer Application (DCA) which is affiliated to AICSM under the Govt. of India N.C.T.S. Diploma in Computer Education (DCA Course code: 0116)
