Date: 05/02/2025

The IQAC held a meeting on 5th February, 2025 in the IQAC room. The following were the decisions taken in the said meeting:

1. There is an excess of committees and clubs in the college, many of them non-functional. Additionally, there are instances where faculty members involved in these clubs are either on study leave or have departed from the college. There is thus a need to rationalise and reshuffle the committees and clubs to extract the maximum from the existing committees for a vibrant college environment. With this in mind, the house agreed to nominate the IQAC chairperson and the secretary for the same. Before the final list is presented to the faculty body, the IQAC will sit for a meeting to deliberate on the list prepared by the IQAC chairperson and the secretary.
2. The following committees are important committees where more co-curricular activities need to be carried out:
 - a) Women's Cell
 - b) Alumni Association
 - c) Parents-Teachers Association
 - d) Skill Development
 - e) Career Development
 - f) IQAC
3. The IQAC will hold a program with the students where Mr Chothazo Nienu will give a presentation from his recently published book "Contemporary Issues in Nagaland Explained"
