

MEMORANDUM OF UNDERSTANDING
BETWEEN
DEPARTMENT OF FIRE & EMERGENCY SERVICES, PFUTSERO
AND
PFUTSERO GOVERNMENT COLLEGE, NAGALAND

This memorandum of understanding (herein referred to as MOU) is made and entered into by between the Department of Fire and Emergency Services, Pfutsero and Pfutsero Government College, Pfutsero.

Whereas, the Pfutsero Government College, Pfutsero a NAAC assessed and accredited with B Grade is an educational institution established in 1982 and subsequently recognized as a Government College in the year 2009 under the Department of Higher Education, Government of Nagaland. The institute is a premier secular college under Phek district offering undergraduate courses in Arts affiliated to Nagaland University.

Whereas, Pfutsero Government College headed by the Principal/Vice-Principal and teaching faculty and staff shall be assisted by the Department of Fire and Emergency Services, Pfutsero in imparting training and mock demonstration to the students with disaster preparedness and disaster response- such as fire accidents, special service calls, emergencies such as building collapse, road accidents, drowning cases, natural disasters such as landslides, flash floods and other natural calamities and related emergency services in promoting humanitarian principles and values.

The Department of Fire and Emergency Services, Pfutsero established in 2022 is striving to fulfill its mission and vision. Its vision is to ensure that the State of Nagaland is a fire free State for which stress is being given for implementation of the fire safety measures in all parts of the state including those places which are vulnerable to fire or which are considered as fire risk area.

The role is to minimize the recurrence of outbreak of fire incidents, and to ensure that effective Fire Prevention is adopted, Nagaland Fire & Emergency Service is regularly conducting Fire Safety Audits of all types of buildings, inspections of shopping malls, high rise buildings, industries, govt. offices, public buildings etc., creating awareness on fire safety., and enforcing the inbuilt fire protection arrangements for various types of constructions in line with National Building Code-PartIV).

The objectives of this MoU are to collaborate together to promote cooperation and assist each other to accomplish the goals by undertaking the following activities:

1. To conduct demonstration and mock drills for students relating to preparedness for any eventualities that may arise.
2. To facilitate activities and sensitize the students concerning fire safety, prevention and control measures.

This MoU intent only to assist the parties in determining and performing their obligations under this MoU. The parties to this MoU intent and expressly agree that only parties signatory to this MoU shall

have any legal or equitable right to seek to enforce this MoU, to seek any remedy arising out of a party's performance or failure to perform any terms or condition of this MoU, or to bring an action for the breach of this MoU.

This agreement can be abrogated as and when required.

Settlement of dispute: Any dispute or differences or question arising at anytime between the parties in relation to the agreement shall be referred to and settled amicably between the parties.

In witness whereof, the parties to this MoU through their duly authorized representatives have executed this MoU on the day and date set out below, and certify that they have read, understood and agreed to the terms and conditions of this MoU as set forth herein.
