Research Towards Innovation

info@researchfoundationofindia.com www.researchfoundationofindia.com

## OUR MISSION

The “Research Foundation of India” for Higher Education, a research group, strives to advance knowledge about education, higher education to encourage scholarly inquiry related to education, and to promote the use of research to improve education and serve the public good.

## VISION

RFI works for the integration of intellectual ideas across the globe to fulfill the thirst of innovation of humanity.

### B. Pfutsero Government College Nagaland

Pfutsero Government College is one of the acclaimed Co-Educational Institutes of Higher Education in the state offering undergraduate course in Arts established in 1982 under the initiative of few visionary leaders of the area. The College started with the Pre-University level and was initially affiliated to North Eastern Hill University. With the establishment of Nagaland University in 1994, the College was accorded temporary affiliation. The College was then officially ungraded to Degree level by Nagaland University in 2000 with BA pass course. From 2004, Honours course in History, English and Tenyidie was offered and the College was accorded degree examination centre in 2007. Honours courses in Economics, Political Science and Education was officially approved by the university in 2014 and in 2016 honours and pass course in Sociology was started as approved by the NU. The College celebrated its 25th Anniversary in 2007 and subsequently taken over by the Government of Nagaland in 2009. In addition to the course prescribe by NU; the College has started Add-On and Vocational Educational Training courses namely Basic Computer Course and Floriculture in 2013 and 2016 respectively. Over its years of existence, the College has continued making efforts to fulfill the visions and missions of the pioneers of the College.

## PREAMBLE

Both Research Foundation of India and **Pfutsero Government College Nagaland**, are interested in entering into an MOU with a view of sharing a common interest to explore, extend and strengthen the functional relationship including Academics, Research Guidance, Extension, International / National Conferences, Seminars, Workshops, Symposium, Orientation Programme, Short term Courses, Refresher Courses and Training aimed at Educational Excellence as per their given respective mandate, aims and objectives.

## PURPOSE and MODALITIES

In order to achieve the goal of inclusive education, it is necessary for **Pfutsero Government College Nagaland** and Research Foundation of India to act in convergent manner within the purview of their respective statutory provisions by sharing the academic resources and expertise available with both the parties, herewith **Pfutsero Government College Nagaland**

and Research Foundation of India sign this Memorandum of Understanding (MoU) to cooperate and jointly work in the following general agreements:

1. Maximum and Sustainable use and utilization of available academic resources with both the parties, to conduct joint programmes of teaching, research, extension and training in such a synchronized manner that each of the party entering into agreement gets maximum advantage from their mandated objectives as well as for synergizing existing academic courses, research, extension and training programmes and schemes.

### RESEARCH AND DEVELOPMENT

2. The faculty, officers, research staff of **Pfutsero Government College Nagaland** and its Centers and Research Foundation of India of either party if needed, may take part in teaching, research, research guidance, extension and training activities in an academic session, as worked out and as per specialization and for the benefit of students, topics of research, areas of extension and training by mutual consultation.
3. Faculty, officers, Research staff of either/or both parties, may apply for joint collaborative research projects. Data generated and /or publications through such collaborative research could be published in joint authorship / joint copyright.
4. Undertaking Research Studies, Collaborative research programme, Study Exchange programme as per respective mandate and objectives of both parties would be taken up by the Faculty, officers, and Research staff.
5. Both the parties would cooperate and encourage sharing of experience, scientific knowledge, and technology advances, and its dissemination or expansion in communities/societies.

### DURATION, TERMINATION AND RENEWAL

6. This MOU will be initially effective for the period of 5 years from the date entering into it with Mutual Understanding.
7. Notwithstanding anything contained in the MoU, the confidentiality and sociality of any research data or otherwise shall not supersede the Acts, Rules and by Laws of respective Institutions entering upon the MoU.
8. This memorandum of understanding may be amended or terminated at any time by either party provided that notice of termination or amendment is given by the notifying party to

the other party before thirty (30) days of the date on which the termination or the amendments is intended to become effective.

9. However, the commitments, made before the date of termination of the MoU, will continue to be operative till the academic session is over.
10. All Right Reserve to both Parties.
